**FINDINGS, CONCLUSIONS AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

Pursuant to the provisions of 28 U.S.C. § 636(b) and Special Order 3, this case was referred to the United States Magistrate Judge. For the reasons that follow, it is recommended that this action be dismissed without prejudice for want of prosecution.

I. BACKGROUND

Petitioner, a Dallas County Jail detainee, filed a *pro se Motion for an Open Hearing*, which the Court liberally construed as a petition for writ of habeas corpus. (Doc. 3.) On May 17, 2012, the Court issued a deficiency order. The deadline for Petitioner's response was June 13, 2012. However, on May 23, 2012, the deficiency order was returned to the Court with the notation, "RETURN TO SENDER, NOT IN DALLAS COUNTY JAIL." (Doc. 5.) As of the date of this recommendation, Petitioner has failed to apprise the Court of his new address.

II. ANALYSIS

Rule 41(b) of the Federal Rules of Civil Procedure allows a court to dismiss an action *sua sponte* for failure to prosecute or for failure to comply with the federal rules or any court order.

Larson v. Scott, 157 F.3d 1030, 1031 (5th Cir. 1998). “This authority flows from the court’s inherent power to control its docket and prevent undue delays in the disposition of pending cases.” *Boudwin v. Graystone Ins. Co., Ltd.*, 756 F.2d 399, 401 (5th Cir. 1985) (citing *Link v. Wabash R.R. Co.*, 370 U.S. 626 (1962)).

Petitioner has had ample opportunity to respond to the Court’s deficiency order and to notify the Court of his new address. The Court is not required to delay disposition in this case until such time as Petitioner provides a current address. Therefore, this action should be dismissed without prejudice for lack of prosecution. *See* FED. R. CIV. P. 41(b) (an involuntary dismissal “operates as an adjudication on the merits,” unless otherwise specified).

III. RECOMMENDATION

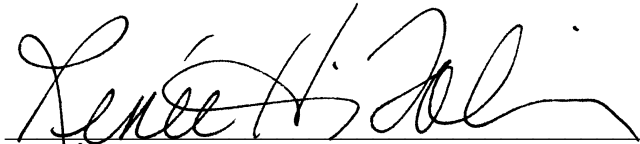

For the foregoing reasons, it is recommended that the District Court **DISMISS** this action without prejudice for want of prosecution.

SIGNED June 20, 2012.

RENEE HARRIS TOLIVER
UNITED STATES MAGISTRATE JUDGE

**INSTRUCTIONS FOR SERVICE AND
NOTICE OF RIGHT TO APPEAL/OBJECT**

A copy of this report and recommendation will be served on all parties in the manner provided by law. Any party who objects to any part of this report and recommendation must file specific written objections within 14 days after being served with a copy. *See* 28 U.S.C. § 636(b)(1); FED. R. CIV. P. 72(b). In order to be specific, an objection must identify the specific finding or recommendation to which objection is made, state the basis for the objection, and specify the place in the magistrate judge's report and recommendation where the disputed determination is found. An objection that merely incorporates by reference or refers to the briefing before the magistrate judge is not specific. Failure to file specific written objections will bar the aggrieved party from appealing the factual findings and legal conclusions of the magistrate judge that are accepted or adopted by the district court, except upon grounds of plain error. *See Douglass v. United Services Automobile Ass'n*, 79 F.3d 1415, 1417 (5th Cir. 1996).

A handwritten signature in black ink, appearing to read 'Renée H. Toliver', written over a horizontal line.
